Katrina,

Attached is the draft CSM for human health. We are still working on the one for eco.

Please review and let me know if you have questions.

Thanks,

Teri

Katrina,

Attached is our proposed surface water sediment sampling general approach. Please review then we can discuss.

Thanks,

Teri.

Katrina,

Here's the website for the contractors to do a preliminary search for T&E species.

<http://www.fws.gov/ipac/>

Suzanne would be your best contact if you have specific questions, since her office keeps more detailed listings/locations.
